

GHOSTLINES STUDIOS

STORIES WITHOUT BORDERS

A CREATOR-LED ENTERTAINMENT STUDIO

Original stories. Multiple platforms.

Ghostlines Studios is the independent entertainment brand of James E Johnson Enterprise LLC, based in East St. Louis, Illinois. Its creative work spans original film and television properties, books, recorded music, digital radio, photography and interactive experiences.

Founder James E. Johnson is building a connected home for original intellectual property and international creative partnerships. The studio welcomes editorial interviews, literary coverage, music and radio features, producing conversations and qualified distribution discussions.

GHOSTLINES PUBLICATIONS

Featured fiction

Shadows at East Side High and Ember Ashes: Eyes from the 1917 East St. Louis Massacre are among seven released Ghostlines Publications titles available through Amazon.

Literary subjects include suspense, relationships, East St. Louis, history, resilience and the experiences that shape communities.

FILM & TELEVISION

Original features and episodic series are being developed for future partnership, packaging, production and distribution conversations. No public release or production commitment is implied.

GHOSTLINES SOUNDS + NETWORK RADIO

Recorded music includes Ghostlines Jay Buck and Smooth and Shay. Ghostlines Network Radio provides a 24/7 digital listening destination featuring independent artists, music and original programming.

Android app available on Google Play. The studio also accepts independent music submissions through its website.
